

## LANGUAGE OR CULTURAL BARRIER?

At **Commercial Collection Consultants**, we recognize that today's global economy has caused a more complex marketplace.

Language barriers and cultural differences can make the resolving of disputes and the collection of delinquent accounts that much more difficult.

CCC maintains a dedicated multi-lingual staff and partnered attorneys to resolve these issues in virtually every major international jurisdiction.

CCC's International Recovery Team delivers fast, comprehensive and economical collection of overdue balances in overseas markets at very competitive rates.
